

For our next unit of work we will be titled:

## “Time Travellers: Anglo Saxons and Vikings”

This will encompass many aspects of the curriculum including but has a significant focus on the geography and history aspects of the curriculum.

This booklet contains a list of activities linked to our learning in the classroom. Pupils can choose which activities they would like to complete (they do not need to be completed in the order presented here), They may do as many activities as they would like over the course of the term and record them in their new “Discover Homework” book. Children will be rewarded for every piece of work they complete.

These tasks will draw on a range of skills including ICT, Literacy, Numeracy, Music, Drama, Art, Science and Design and Technology skills.

Children are also encouraged to create their own ideas for projects, there is space to record these on the back page of this booklet.

**Good luck with your learning log!**
