

This is where you can write down your own project ideas:

Learning Log

All around
the world

Year 1
Summer Term

For our next unit of work we will be titled:

“All Around the world”

This booklet contains a list of activities linked to our learning in the classroom. Pupils can choose which activities they would like to complete (they do not need to be completed in the order presented here), They may do as many activities as they would like over the course of the term and record them in their new “Discover Homework” book. Children will be rewarded for every piece of work they complete.

These tasks will draw on a range of skills including ICT, Literacy, Numeracy, Music, Drama, Art, Science and Design and Technology skills.

Children are also encouraged to create their own ideas for projects, there is space to record these on the back page of this booklet.

Good luck with your learning log!

Suggested tasks and activities (tick when completed):

- ☐ write 5 facts about England.
- ☐ Label countries on a world map.
- ☐ Make a list of countries you have visited, or countries you would like to visit.
- ☐ Write facts about your favourite country.
- ☐ Taste food from different countries.
- ☐ Research religious festivals celebrated in different countries.
- ☐ Listen to music from different countries.
- ☐ Design your own aeroplane to travel the world in.
